인사말 2줄정도로 써 주십시오....

The Guidelines International Network(G-I-N) Conference is a landmark event attended by professionals from wide range of organizations interested in improving health care through development and implementation of clinical practice guidelines. The 8th G-I-N conference in 2011 will be held in Seoul, Korea for the first time in Asian country.

The G-I-N 2011 Seoul conference bring together many colleagues from all over the world to develop collaborations and facilitate the dissemination and discussion of every aspects of guidelines including evidence synthesis, guideline development, quality improvement, and health policy to improve patient outcomes. It is also a superb opportunity to network and to strengthen collaboration through workshop, discussion, networking and informal sessions.

Dr. Hyeong Sik Ahn MD, PhD
Chair - Local organizing committee
GIN 2011 Conference

A OUT G-I-N

The Guidelines International Network (G-I-N) is an international not-for-profit association of organizations and individuals involved in the development and use of clinical practice guidelines.

G-I-N supports international collaboration to improve the quality of health care by promoting systematic evidence review, rigorous development of clinical practice guidelines, and application into practice.

WHO SHOULD ATTEND

- Guideline development
- Guideline implementation
- Evidence-based medicine
- Evidence synthesis
- Quality improvement
- Performance measures
- Utilization review
- Medical providers and executives
- Public health agencies
- Health policy
- Healthcare research
- Patient care

PROGRAM HIGHLIGHTS

- Presentations by international leaders in guideline, healthcare research and policy.
- Cutting edge advances in scientific development, dissemination, implementation, and evaluation of guidelines to advance healthcare.
- Satellite methodologies workshop on evidence synthesis and guidelines development.
- Development of EBM and guidelines in Asia Pacific countries.
- Bridge on the disciplines of evidence-based medicine and translational research

SCIENTIFIC PROGRAM COMMITTEE

Chair of the Scientific Committee

Richard Rosenfeld, MD, MPH (US)

Vice-Chair of the Scientific Committee

Tae-Hwan Lim, MD, PhD, FAHA (KR)

Melissa Brouwers (CA)

Jako Burgers (NL)

Edwin Chan (SG)

Maria Eugenia Esandi (AR)

Paul Glasziou (AU and UK)

Hyunjung Kim (KR)

Ken N Kuo (TW)

Sunhee Lee (KR)

Sue Lukersmith (AU)

Keng Ho Pwee (SG)

Nandi Siegfried (SA)

Judi Strid (NZ)

Jin Ling Tang (HK)

Philip van der Wees (NL)

Naohito Yamaguchi (JP)

PROGRAM AT A GLANCE

	8.28	8.29	8.30	8.31
08:00–09:00	Registration			
09:00–10:45	Preconference workshop (09:00–) G-I-N Working group meetings (14:00–)	Opening Ceremony Plenary 1	Plenary 3	Concurrent Sessions
10:45–11:00		Coffee Break		
11:00–12:30		Concurrent Sessions (Workshops, Oral Presentation)	Concurrent Sessions	Plenary 5
12:30–14:00		Lunch Group meetings & Poster Viewing		Lunch
14:00–15:30		Plenary 2	Plenary 4	APEBM Plenary Session
15:30–15:45	Coffee Break, Exhibits & Poster Viewing		Coffee Break	
15:45–17:00		Concurrent Sessions	Concurrent Sessions	APEBM Session Closing Ceremony
17:00–18:00				
18:00–	Welcome Reception (–20:00)		Gala Dinner (–22:00)	

PRELIMINARY PROGRAM

1. Plenary Sessions

- Plenary 1** Linking evidence to practice: guidelines and alternatives
 – Tsuguya Fukui (Japan), Gillian Leng (UK), Ian Graham (Canada)
- Plenary 2** Guidance in the absence of evidence: what can – and cannot – be done?
 – Paul Glasziou (Australia)
 – To be determined
- Plenary 3** Adapting guidelines for resource-constrained settings
 – Zulma Ortiz (Argentina), Leonila Dans (Philippines), Karen Daniels (South Africa)
- Plenary 4** Sustainable guidelines: maintaining relevance to health policy
 – Ken Kuo (Taiwan), Lisa Askie (Australia), Ilkka Kunnamo (Finland)
- Plenary 5** Promoting quality of evidence and guidelines: what is G-I-N's role?
 – Tamara Kreda (South Africa), Richard Schiffman (USA), G-I-N Board Trustee

2. Topics

- Evidence Generation and Synthesis
 Guideline Development
 Stakeholders and Dissemination
 Guideline Implementation
 Special Topics for G-I-N 2011
- Guideline development and implementation in Asian countries
 - Relevance of international guideline activities for resource-constrained Asian countries
 - Challenges of cultural and linguistic diversity
 - Guidelines for policy and health systems strengthening
 - Tailoring guideline recommendations to individual patients
 - Integrating evidence-based "audit hooks" into guidelines
 - Cost-effectiveness and guidelines: healthcare technology assessment as a matchmaker

REGISTRATION

	Early Registration (Until 6/6/2011)	Regular fee (After 6/6/2011)
G-I-N members *	USD 610	USD 710
APEBMN** members	USD 650	USD 750
Non-members	USD 760	USD 860
Korean Professor / Residents	KRW 350,000	KRW 450,000
Korean Non-members	KRW 500,000	KRW 600,000
Consumers Students, residents	USD 280	USD 425
Gala dinner	USD 110	

* Includes gala dinner

VENUE

The Incheon Memorial Hall, named after Korea University founder Incheon Kim Seong-Suis a professional meeting and learning facility ideal for professional and academic conferences. The gothic stone building opened in 1991 to coincide with the 100th anniversary of his birth, is built on Incheon Hill, covering nearly 2 acres, and offers many impressive facilities including an 800-seat auditorium, two conference rooms, several seminar rooms and a faculty lounge.
